 - A. Such requests for confidential information shall not be honored without proper written consent for the release of such records by the student except under conditions set forth below:

If an error cannot be readily substantiated, the request will be referred to an appointed Ad Hoc Hearing Committee.

- D. After the student has had the opportunity to present his or her case to the hearing committee, the committee will render a decision in writing stating the reasons for its decision. If the decision is in agreement with the student's request, he or she will be permitted to review the file to satisfy himself or herself that the change has been correctly made. If the student's request is denied, he or she will be permitted to append a statement to the record in question, showing the basis for his or her disagreement with the denial. Such appendages will become a permanent part of the record.

VIII. Annual Notice To Students Of Their Rights Under Family Educational Rights and Privacy Act of 1974

- A. A general statement regarding release and access of student information will be published in the college catalog and Student Handbook each year.
- B. Guidelines for release of student information will be made available to students, faculty, and staff. Extra copies for this purpose will maintained by the Registrar.

IX. Student Records which only consist of incomplete or rejected applications will be kept for two years and then destroyed by shredding.

- X. The Solomon Amendment requires schools to provide military recruiters access to the following directory information on students: name, address, telephone number, date and place of birth, level of education, academic major, degrees received, and the educational institution in which the student was most recently enrolled. The College must provide the information no more than once each semester to each of the twelve (12) eligible units with the five branches of service which are the Army, Army Reserve, Army National Guard, Navy, Navy Reserve, Marine Corps, Marine Corps Reserve, Air Force, Air Force Reserve, Air Force National Guard, Coast Guard, and Coast Guard Reserve. The Family Educational Rights and Privacy Act (FERPA) does not apply to the Solomon Amendment but does continue to apply to all other student information. Students can ask the institution to withhold this information only by having a complete "FERPA block". The Registrar's Office will make provision to supply any or all of the above information at the request of military recruiters, within the context of the other responsibilities of the office and in a format within the capabilities of the technology available for the Registrar's use.
