

5.4.1 Bonding of College Employees

Policy Tracking	Date
Approved	April 17, 1997
Revised	
Reviewed	

Bonding of Blue Ridge Community College employees responsible for money or property is in the form of a blanket bond. The State of North Carolina has its own blanket bond for state employees at no cost to the College. Additional blanket bond coverage for employees that handle local and special funds is secured through a local insurance agent and is paid for with local funds.
